

## CCC 2010 Spring Symposium

### Call for Papers

The Catalysis Club of Chicago invites you to submit abstracts for oral or poster presentations for the 2010 Spring Symposium to be held Wednesday, May the 19<sup>th</sup> at the BP Research Center in Naperville, IL.

As a heading, please list the title, the author(s) (underline the speaker) and affiliation. The length of abstracts for oral presentations should not exceed one page and those for poster presentations should not exceed one half page. Twenty five minutes will be allotted for each oral presentation. Please indicate what type of presentation you would prefer. Due to the limited speaking slots, if you request an oral presentation also indicate if you would like to be considered for a poster. Prizes will be awarded for the best three student posters.

The deadline for receipt of abstracts is April the 15<sup>th</sup>. Notification will be made on April the 25<sup>th</sup>. Please send abstracts as Microsoft Word or plain text documents to Siddhesh Shevade, Program Chair at [siddhesh.shevade@bp.com](mailto:siddhesh.shevade@bp.com)
